Wangerbao Software Development Co., Ltd.

Gashapon Machines
Source Manufacturer from China

Why Choose Wangerbao?

Custom Solutions

We have the R&D team, our technicians can provide the complete customi zation, which is not only for the basic logo or graphics design, but also for the software program and machine's structure upgrade.

Market Insights

Through our own Gashapon Stores and extensive customer data analysis, we identify the most popular capsule toys globally and offer them for sale, ensuring our products are always in high demand.

One–stop Service

With our market research, experience in managing numerous stores, and comprehensive customization solutions, we can help you save sourcing time and effort. Whether you need machine customization and store design or popular capsule toys supply and after-sales service, we provide everything you need to operate successfully.

Newcomer Support

For those new to the gashapon business, our market research and selection of popular toys help you achieve revenue in the short term.

WANGERBAO

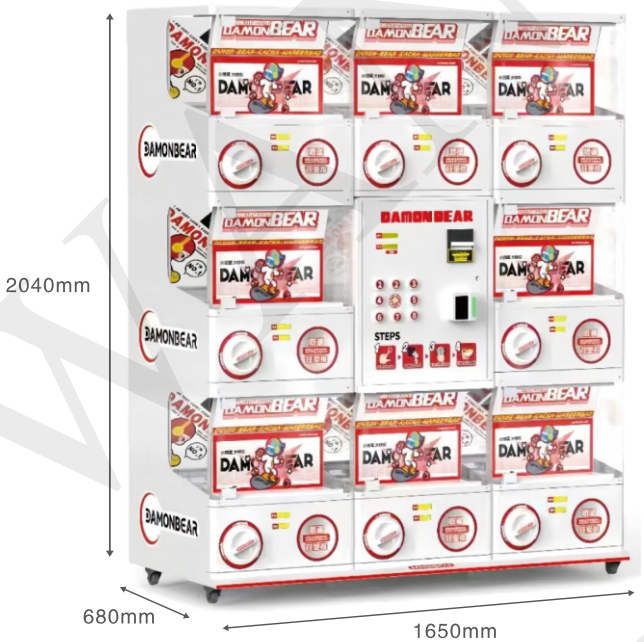

WANGERBAO BRAND NEW GACHA MACHINES

Product Name:Mini Plastic One Payment Central Gashapon Machine

Style	Color	Payment Type
Full Customization	White or Customization	QR Code Device or Bill/ Coin Acceptor, or Credit card reader
Specification L*W*H (MM)	**Capsule Size**	**Capacity**
840*450*1864	40–75mm	50mm: 150pcs 60mm: 100pcs 70mm: 60pcs 75mm: 50pcs
Specifications		
N.W.: 89KG Power: 120W Voltage: 100–240V Material: Plastic with Acrylic		

Product Name:Big Metal One Payment Central Gacha Machine

Style	Color	Payment Type
Full Customization	White	QR Code Device or Bill/ Coin Acceptor, or Credit card reader
