«Amusement rides and entertainment equipment RAAPA EXPO AUTUMN-2025»

The 46th Moscow International Exhibition “Amusement rides and entertainment equipment RAAPA EXPO AUTUMN-2025” was held from October 8 to 10 in pavilion 57 at VDNH.

The exhibition is organized by the Russian Association of Amusement Parks and Attractions (RAAPA). The general sponsor is the MIR Group of Companies. The general information partner is “Attractions and Entertainments” magazine; the exhibition's online partner is vtorio.com and others.

103 companies from nine countries took part in the exhibition.

The theme of the exhibition encompasses such areas of the entertainment industry as: amusement parks, entertainment equipment, virtual and augmented reality, trampolines and inflatable playground equipment, water parks, slot machines, interactive games, simulators, laser tag, paintball, children's play and sports areas, prize attractions, shooting galleries, velomobiles, park transport, activity parks, go-karts, animatronics, vending machines, business automation systems, and access control equipment; certification, diagnostics, and maintenance of amusement parks; amusement park and entertainment complex design services, landscape design and decor, F&B, staff training, and more.

Among the regular exhibitors there were such well-known companies as: Game-Keeper, ATTRAPLAST, AirMir, BOLID, PO GROS, ITALPARK, Carousel Entertainment, Interregional Certification Center, RIF, Skazka Amusement Factory, FAT, Volgograd Attractions, Vostok, Attractions of Russia, Air Palace Factory and others.

Twenty-six companies took part in the exhibition for the first time.

Over the course of three days of RAAPA EXPO, more than 2000 specialists from 170 cities of Russia, Belarus, Kazakhstan, Armenia, Uzbekistan and China visited the exhibition. Attendees included owners and managers of amusement parks, entertainment centers, water parks, cinemas, sanatoriums and resort complexes, representatives of city administrations and government authorities, event agencies, individual entrepreneurs, and other interested parties.

The exhibition featured a extensive business program, including 11 events of various formats featuring 22 speakers. More than 450 specialists from Russia and abroad participated in seminars and training sessions.

Topics discussed included: the creation and management of amusement parks; attracting investment, trends, and marketing tools in amusement parks and entertainment centers; new solutions for automation and safety in the operation of amusement rides; optimization of territories and the identification of additional sources of income in recreational areas, and more.

As has become traditional during the autumn exhibition the RAAPA Training Center held offline training sessions on the safe and efficient operation of amusement rides.

The exhibition also featured the second Open Meeting of the Entertainment Industry Coordination Council, organized by RAAPA, SAPIR, PARKS OF RUSSIA, and the Union of Children's Play and Sports Equipment Specialists. Over 100 specialists attended the meeting, which focused on the safety of children's playgrounds and current trends in this area.

One of the key events at the exhibition was a meeting to discuss a strategy for the development of the mechanized amusement ride industry in the Russian Federation. Russian manufacturers, representatives of the Russian Ministry of Industry and Trade, and industry experts participated in the discussion.

The RAAPA EXPO AUTUMN 2025 exhibition was held under the auspices of the Russian Association of Amusement Parks and Attractions' 30th anniversary celebrations. The opening reception included an awarding ceremony for the association's long-standing partners, the first companies to join RAAPA, and a welcoming ceremony for new members.

The results of RAAPA EXPO AUTUMN 2025 once again confirmed its relevance and demand among entertainment industry professionals! Participants noted the high-quality organization, the large number of visitors, and the opportunity to meet new players in the entertainment market.
