

43rd International Exhibition

"Amusement rides and entertainment equipment

RAAPA EXPO-2024"

The 43rd International exhibition of amusement rides, entertainment equipment and services for the amusement industry "RAAPA EXPO-2024" will be held on March 27 to 29, 2024 in Pavilion 7 at the EXPOCENTER in Moscow.

Expocentre is a new venue for the exhibition, a unique platform in the business center of Moscow, where innovative technologies are annually presented and specialists from a wide variety of sectors of the economy gather.

The exhibition organizer is the Russian Association of Amusement Parks and Attractions (RAAPA). The general sponsor is Pax-Design company. General information partner is "Attractions and Entertainments" magazine; Internet partners of the exhibition are vtorio.com and others.

RAAPA EXPO is the largest thematic exhibition in Russia, the CIS and Eastern Europe, demonstrating the latest achievements in the amusement industry and reflecting current concepts for the development of cultural and recreation parks and leisure complexes.

The exhibition will feature the latest amusement park equipment, attractions, equipment for kiddie and sports grounds, virtual reality technologies; solutions for landscaping, landscape design and theming; services for certification of attractions and entertainment devices, design of amusement parks, water parks and family entertainment centers; training park staff, organizing holiday events, catering services, etc.

Every year, the RAAPA EXPO is visited by more than 4,000 specialists: owners and managers of amusement parks, family entertainment centers, water parks, cinemas, holiday homes, health resort complexes, representatives of city administrations and authorities, event agencies, entrepreneurs and other interested parties.

During the exhibition, a Business Forum of amusement industry professionals will traditionally be held. Trainings, conferences and master classes will be conducted by leading experts who will highlight the most pressing issues of the entertainment business.

Also, as part of the spring exhibition, offline classes will be held at the RAAPA Education and Training Center on the program "Safety and Efficiency of Operation of Amusement Rides" (March 26-29).

A free invitation ticket to the exhibition can be ordered on the website: https://raapa.ru
